Please fill out the Early enrollment form and return your form along with your \$30 Enrollment Fee by May 15th. You can also do this online at www.justdancin.org. Early Enrollment will end on May 1st and we want you to have the opportunity of the first choice of classes.

Please mark the class/classes you would like your child to take and we will mail you a Final schedule in July along with information on purchasing new shoes and supplies for the next dance season and any other information you will need to start dancing at Just Dancin'.

If you have a friend or family member interested in Early Enrollment to dance with your child or in any of our classes, please give them a copy and we will let them do early Enrollment with you. They can also go to www.justdancin.org and register there. If they are new to Just Dancin' you will get a \$10 credit toward next year's costumes for every new student you refer. This is an easy way to help with costume balances.
